

MODE OF PAYMENT

The following facilities, in addition to the existing facilities given out at Para 42 of Master Brochure July 1987, are extended **exclusively** for AWHO allottees for **payment of instalments** only :-

Payments of installments by an allottee can be made through Bank Draft/Pay Orders/Local Cheques/Multicity Cheques/Banker's Cheques/E-banking. All payments will be endorsed "Payees Account only" drawn in favour of "The Managing Director, AWHO, New Delhi, ICICI Bank A/C No-000701247530". No outstation Cheque or cash will be accepted. On the reverse of the instrument, Registration No, Name of the Allottee and Name of Project should be endorsed. In case of incomplete information, even when payments have been received in time, allottees may be vulnerable to payment of interest for the delayed period due to lack of linking of the payment. Since couriers are not permitted inside defence premises, payments be sent through post or in person. Payments of installments can also be made through E-banking at any ICICI Bank branch in the country. AWHO copy of pay-in-slip should be sent to this office. Thereafter AWHO receipt will be forwarded. The Pay-in-slip can be downloaded from the AWHO website (www.awhosena.org). The bank will charge Rs 10/ per transaction and this amount will be recovered from the allottee at the time of preparation of final statement of accounts. Allottees are advised to check their IRLA on AWHO website and ensure the credit of amount. AWHO is not responsible for late clearance of instrument by any agency due to any reasons whatsoever. Therefore payments be made in such a way that the amount gets credited by due date of payment of instalment to avoid interest on delayed payment. **The date of credit of amount into AWHO account will be taken as the date of payment of instalment.** In the case of any difficulty, allottees are requested to contact on telephone Nos 0-9899457256, 0-9899299990 and 01123322614 of ICICI Bank, Delhi.
